Re: WROT & Cast Fittings and Flanges Pricing

Effective Thursday, June 6, 2024, NIBCO will increase list prices on WROT and cast fittings and flanges.

Most prices are increasing by 10% (divide WROT-0524, ACR-0524, CAST-0524, FLNG-0524, LF-0524 and WRCB-0524 by .90), with some select SKUs reflecting higher or lower increases. Please review the new list price sheets for specific price changes. Current multipliers will remain in effect.

The new list price sheets, WROT-0624, ACR-0624, CAST-0624, FLNG-0624, LF-0624 and WRCB-0624, will be available on Friday, May 24, 2024, via the NIBCO websites at [www.nibco.com](http://www.nibco.com) and [www.nibcopartner.com](http://www.nibcopartner.com). You will have options to download and/or print copies of the price sheets in MS Excel and PDF formats.

We will accept pre-increase orders of no more than 1/24<sup>th</sup> (2 weeks) of your annual purchases of any SKU subject to this increase. Pre-increase orders must be placed with our office by close of business on Wednesday, June 5, 2024.

If you have questions, please contact your NIBCO sales or customer service representative. Thank you for your continued support of NIBCO products.

Sincerely,

NIBCO INC.
